EDUCATION

University of California, Berkeley, Haas School of Business

GPA: 4.0/4.0

B.S. in Business Administration - Dean's List & Academic Honors, Cal Alumni Leadership Award

Expected May 2027

Coursework: Finance, International Consulting, Entrepreneurship, Financial & Managerial Accounting, Business Analytics

PROFESSIONAL EXPERIENCE

PricewaterhouseCoopers

San Francisco, CA

Audit Intern

June 2025 – August 2025

- Reviewed 75+ subsidiaries within a \$50B+acquired entity by analyzing org charts and supporting documents to evaluate post-merger changes, assess risk across business units, and highlight key areas for the audit team's M&A testing approach
- Organized and verified 350+ relocation-related transactions in Excel by matching payments to contracts, approvals, and support documents, confirming accuracy across 15 accounts and reducing discrepancies by more than 20%
- Improved audit efficiency by 30% by creating AI integration guides that standardized workflows for the project's audit team

McKinsey & Company

San Francisco, CA

Strategy Consultant (Impact Justice)

December 2024 – May 2025

- Synthesized insights from 50+ interviews with formerly incarcerated individuals, service providers, and county stakeholders to identify 6+ pain points in the reintegration process, shaping a pitch deck that secured funding for the program's expansion
- Built an \$8M financial model stress-testing funding and cost sensitivities, finding the program's optimal participant capacity
- Designed a selection framework to evaluate 30+ community-based organizations through a rigorous RFI process, helping the client to identify scalable, mission-aligned partnerships and strategically select 10+ partners for next-phase expansion

Sandbox VR

Emeryville, CA

Project Manager (Contract)

December 2024 – May 2025

- Managed 10 consultants to develop a data-driven student engagement strategy for Sandbox VR's Emeryville location
- Analyzed 350+ student survey responses in Tableau to identify strong price sensitivity tied to session length, informing new student-focused pricing and weekday bundle strategies that increased early bookings by 12%
- Launched campus outreach initiatives that partnered Sandbox VR with 25+ student organizations and 3 student influencers with 5,000+ followers, establishing ongoing referral channels and strengthening Sandbox VR's presence in UC Berkeley

Baymont Inn & Suites

Sioux Falls, SD

Front Desk Associate

Aug 2019 - June 2024

- Provided excellent customer support in check-ins, service requests, and room coordination, earning 150+ five-star reviews
- Analyzed ADR and occupancy rates to pinpoint slow periods and built a targeted contracting plan that secured 10+ recurring corporate and community accounts, lifting weekday occupancy nearly 12% and strengthening long-term local partnerships
- Set room rates based on competitive market analysis, contributing to a 10% increase in RevPAR over four years

LEADERSHIP EXPERIENCE & ACTIVITIES

Roots Consulting Club

Berkeley, CA

Founder and President

May 2025 - Present

- Scaled Roots Consulting to 25+ members and 5+ clients in 3 months, becoming one of the only clubs for small businesses
- Led consulting engagements for 5+ small businesses, conducting market, financial, and operational analyses to deliver recommendations that improved customer engagement and stabilized revenue by up to 15% across clients
- Created a network of 10+ local business owners by hosting workshops on cash flow management, loan readiness, and pricing fundamentals, enabling founders to share tactics and strengthen overall financial resilience

Berkeley Haas External Case Competition Team

Berkeley, CA

Finalist and Student Coach

Aug 2024 - Present

- Coached 30+ students for international competitions with problem-solving, slide design, and cultural presentation practices
- Led a team of 3 consultants in an international case competition by setting priorities, managing workflow, and delivering strategic recommendations supported by financial modeling and market analysis, placing in the top 5 of 25+ global teams
- Developed a full case-competition curriculum for 100+ Berkeley students, improving preparation for major competitions
